Classroom Happenings:

Science:
Through the concept of Kitchen chemistry during Term 3 science lessons students will:
*Classify substances based on their properties such as solids, liquids or gases
*Explore physical changes such as change of state and dissolving
*Identify and construct questions about the relationship between properties and use
*Carry out fair test investigations and communicate the results
*Explore chemical change and the new substances produced

Kids 2 Canberra Project
2014 may seem a long way off but fund raising for school excursion to Canberra has already commenced with a windscreen wash and the sale of 100 bags of homemade confectionary to the participants of the Variety Car Rally on Tuesday night.
The next planned activity for the Kids 2 Canberra will be at the Stonehenge Rodeo. You can assist in the fundraising by purchasing an ice-cream from them while enjoying the rodeo.

WHOLE SCHOOL CAMP
This year Stonehenge State School will be going on a whole school camp to Camp Fairbairn.
Students will participate in a range of activities from environment studies to astronomy.
We will be attending camp from 25th August - 29th August

FROM THE DEPARTMENT
School discipline to be strengthened
The Queensland Government has announced a plan to strengthen school discipline in state schools. The plan is the first of 15 strategies to be developed from the recently released Great teachers = Great results direct action plan. It will reduce red tape and provide principals with the flexibility to work with the school community to implement a range of new and strengthened disciplinary approaches. For more information on Great teachers = Great results visit the DETE website.

FOR TENDER:
The school has for tender 1 Printer and a telephone pack.
Full details listed on page 2 of this newsletter.
